## SEASON IN REVIEW

### Huskies win Central Division title and finish third at Canada West Final Four

The University of Saskatchewan Huskies won the Central Division regular season title for the second consecutive year. Unlike last year, when the race for first place came down to the very last game of the season, the Huskies clinched the title with two games to go and finished three games up on their nearest competitor.

After dropping their season opener, the Huskies rattled off five straight wins before the injury bug took away some of their momentum. After going 1-2 at their home tournament, Saskatchewan prepared to enter conference play against the team that knocked them out of the playoffs eight months earlier.

Saskatchewan opened the conference schedule with two victories over Alberta on the road, and would go on to win it's next five Canada West games. The 7-0 start in conference play was the Huskies' best start ever. They would finish with a 13-7 record in conference play, an identical mark to the one they posted a year earlier.

The Huskies then swept the Golden Bears in the Central Division Final, earning a trip to the Canada West Final Four in Vancouver. The Dogs almost knocked off No.2-ranked UBC in the semi-final, losing 73-72. The next afternoon the Huskies gutted out a 77-69 victory over Regina to earn their first trip to Nationals in 18 seasons.
