Saskatoon, SK

This is a fantastic opportunity to learn from one of the best coaches in the world. The four-hour session will be conducted on-court, with players running through the drills and skills so you see exactly how you can teach your own players.

Ken Shields, a member of the Canadian Basketball Hall of Fame, is a Canadian coaching legend and has coached at the highest levels of basketball not only in Canada but around the world. He was head coach at Laurentian University (1970-76) before becoming the head coach at the University of Victoria (1976-1989).
